

Our PE Vision

At Woodland Grange Primary School we aim to inspire all children to develop a love of physical activity and sport. Through good physical education, whole school values and a whole child approach, we aim to nurture confident, resilient children who will strive for their personal best. We listen to our children's wants and needs and provide them with a range of active experiences and clubs. We want to aid our children in obtaining the values such as physical strength and confidence, resilience, self-motivation and respect as well as skills to celebrate and respect the success of others, as well as modestly celebrating their own successes. We aim to ensure that our delivery of physical education allows all children to have the skills and mindset to leave primary school with the capabilities to be successful in their sporting challenges and active lifestyles at secondary school and beyond. We are dedicated to ensuring healthy minds, as well as bodies and will continue to support our children's well-being.
