CLUBS – Summer 2022

Dear Parents and Carers,

Welcome to the Summer Term of school clubs where once again we have a wide variety of clubs for the children to enjoy. We are happy to inform you that after the success from the Spring term, classroom-based clubs such as Aweea, Craft and Code Club will be continuing. We are also glad to be continuing Mindfulness & Wellbeing club ran by Miss Bellamy. In March we were fortunate to have a coach from SportsCool come in to do some Tri Golf and Archery, which the children really enjoyed. This coach will be running a Multi Skills club on Fridays with children from years 1 to 3. Another great opportunity for the children, is the Musical Theatre club ran by Mrs Fisher. Another new club starting is the Mini Wheelers club on Tuesdays.

If, in total, insufficient pupils sign up for a club there may be an option to move to another club if one is available.

Please read this letter carefully as some clubs have changed days and year groups. We will only give refunds for the clubs which do not get the required number of children to run.

We cannot give refunds for children who no longer want to attend the clubs you have booked them on or if you have double booked them on two clubs on the same day and time.

Please take care when booking online. This terms clubs will run for 9 weeks starting Monday 25th April to Friday 1st July. Clubs on Mondays will be for 8 sessions with the school being closed May 2nd. Clubs on Fridays will also be for 8 sessions with the school being closed May 27th.

Please be aware that if the weather is unsuitable, outdoor clubs may have to be replaced with an indoor classroom activity or cancelled at short notice. Outdoor clubs cannot, in such circumstances, be moved to the hall as this is in use most of the time.

Club payments should be made online using the School Gateway on-line payment system from 29th March 2022.

When the club is full it will no longer appear on School Gateway. Most clubs only take 20 children and run on a first come first served basis; therefore, it is your responsibility to make the online payment. If you are unable to find the club to make the payment, then the club is already full.

We will no longer take cash from parents at the office.

Payments must be made by **Saturday 23rd April 2022**. We will not deal with requests for children to attend clubs or take any late payments. Club leaders will also not take children after this date. Please assume your child has a place in the clubs requested unless you hear to the contrary.

Can we remind you of the finishing times of clubs which run after school as children need to be collected on time at 4.15 p.m. Parents who are continually late collecting their children may lose the right for them to attend clubs.

Below are details of all the clubs running this term

We have put together this weekly table for a quick check of which club is on which day.

Please support us in ensuring your child attends every week for the duration of the term, unless he/she is unwell.

It is our policy that when you have signed your child for a club they must be collected by a responsible adult. If you wish your child to walk home by themselves, you should send a letter on the first week of the club to the club leader telling them that they are allowed to do so. If the leader does not receive a letter giving permission, then your child will stay in school and will be sent to after care until you collect them, and a charge will be applied.

Can we please remind you that we have a no-jewellery policy for sport in all our after-school clubs.
