Can we please remind you that we have a no-jewellery policy for the camp. Children will need a packed lunch, a water bottle, a coat and if staying all day, a morning and afternoon snack may be a good idea. Children should wear suitable footwear (trainers) for the sports activities and a change of clothes may also be worthwhile in case they get hot and sweaty or wet!

It is our policy that when you have signed your child for a camp they must be collected by a responsible adult. If you wish your child to walk home by themselves, you should send a letter or tell a staff member that they are allowed to do so. Staff members will be available to talk to on the day and a contact number will be given to you should you need to contact Mr Evans.
