

# Woodland Grange Primary School & Preschool

Parental consent for pupil image. Academic year: 2020-21

At Woodland Grange we use images and videos of pupils in a variety of ways. We will seek permission on an annual basis for these images to be used in the following ways:

1. In and around school, in places that might be seen by visitors.
2. On the Woodland Grange school website.
3. On social media (WGPS & Oak Trust accounts).
4. In wider marketing materials used by the school e.g. a local newspaper article.

Where the school uses images of individual pupils, the name of the pupil will not be disclosed. We will always respect the wishes of our parents & carers should they wish to not give consent. In the event of a photograph being used with the child's name (in a newsletter for example) we will ask for specific permission to be given. Any images will only be used for official purposes.

Please indicate if you do/do not give consent. We will endeavour to make sure that images of those children are not shared if you do not give consent.

If you would like to withdraw your consent at any time, you must submit your request in writing to Mr Hayles.

Thank you for your support
