

Our Learning : Woodland Grange Pre-school'

Check us out!

- What an egg-citing couple of weeks! We welcomed 10 eggs from the Happy Chick Company and we have been caring for them within the incubator.
- We have also matched numerals to fluffy chicks and drew/painted our own chicks.
- We have been reading non-fiction books about the lifecycle of a chick and listening to stories relating to Easter.
- The children are working really hard in phonics and have learnt lots of new phonemes!

Reminders

- If your child is going to be absent, please can you ring/message us before the session they are due to attend.
- If you are given a story sack then please return it within a week, so we can offer it to another family.
- Early drop off and late pick-ups: - please may we remind you that Preschool opens at 8:45am unless you child attends Pre - Care. Please be aware that we will charge for late collections as we have the correct number of staff for set times of the day in order to meet legal ratios.

After half term we will be:

- Focusing on the topic 'People who help us' and 'keeping healthy'.
- A special visit from the emergency services. More information on this will follow.
- Learning about and celebrating Eid and Vaisakhi.
- Continuing with 'Dough Disco' and 'Squiggle whilst you wiggle'.
- Begin to describe a sequence of events.
- Continuing with Phase 1 and 2 Phonics.

Special Notes

- Thank you to everyone that attended our easter egg hunt, we hope you had as much fun as we all did!
- The chicks have now been rehomed at Stoughton Grange Farm Park and they are going to send us regular updates of our chicks growing up into hens. Maybe, you can make a visit to the farm and share some photos on Tapestry!
- We are running low on our spare clothes, especially our socks and joggers. If you have any of preschool's property, please may you return. Or any donations are much appreciated.

Children's Voices!

"This chick is so Fluffy"

"My chick is called Hey Hey"
