Check us out

- We have been learning about each other and becoming confident in sharing comments about our families and ourselves.
- We have been looking at our features and representing them in drawings and paintings.
- We have been learning how to mix colours to create new ones.
- We have started 'Dough Disco': a writing program which involves taking part in a music-based routine whilst using play-dough.

Special Notes

- Our curriculum evening power-point is on Tapestry in the memo section and is also on the school website.
- Please share your half term activities with us on tapestry so that we can share them with the children when they come back. They are a great talking tool!
