Dear Parents/Carers,

10th February 2023

We are very much looking forward to watching a performance, on Friday 17th February in school, as part of The Spark Festival programme. This year we are going to see a show called Look Mum: No Hands! It is a show based on the themes of friendship, growing up and taking risks with able bodied and wheelchair using performers. We are only able to offer this to Year 1 and Year 2 children this year, so really hope the children who do get this opportunity come home and tell you all about it.

We are asking for a voluntary contribution of £5.25 (it is free for pupil premium children) from parents for this educational activity. Your child will not be excluded due to an inability to pay. In the event of this activity not being viable, due to insufficient funds, the activity may have to be cancelled.

Please use the School Gateway to make your payments.

If you are interested in seeing other performances in the festival, please follow the link below.

Many thanks for your support and we hope the children enjoy the show.

Mrs Chadwick
