CLUBS – Summer 2023

Dear Parents and Carers,

Welcome to the Summer Term of school clubs where once again we have a wide variety of clubs for the children to enjoy. Now we are entering warmer weather, we are delighted to be providing outdoor clubs to KS1 children. Please ensure that your child attends outdoor clubs with suitable footwear and warm and waterproof clothing if needed.

If, in total, insufficient pupils sign up for a club there may be an option to move to another club if one is available.

Please read this letter carefully as some clubs have changed days and year groups. We will only give refunds for the clubs which do not get the required number of children to run.

We cannot give refunds for children who no longer want to attend the clubs you have booked them on or if you have double booked them on two clubs on the same day and time.

Please take care when booking online. This terms clubs will run for 11 weeks starting Monday 17th April to Friday 7th July. The Monday clubs will run for 9 weeks as the school is closed on May 1st and 8th.

Please be aware that if the weather is unsuitable, outdoor clubs may have to be replaced with an indoor classroom activity or cancelled at short notice. Outdoor clubs cannot, in such circumstances, be moved to the hall as this is in use most of the time.

Club payments should be made using the online School Gateway payment system from *Thursday 23rd March 2023 from 5pm.*

When the club is full it will no longer appear on the School Gateway. Most clubs only take 20 children and run on a first come first served basis; therefore, it is your responsibility to make the online payment. If you are unable to find the club to make the payment, then the club is already full.

We will no longer take cash from parents at the office.

Payments must be made by **Friday 14th April 2023**. We will not deal with requests for children to attend clubs or take any late payments. Club leaders will also not take children after this date. Please assume your child has a place in the clubs requested unless you hear to the contrary.

IMPORTANT – A reminder that afterschool clubs finish at 4.15pm. Children should be collected promptly. Persistent late collections will result in a meeting with Mrs Brown.

Below are details of all the clubs running this term

We have put together this weekly table for a quick check of which club is on which day.

Please support us in ensuring your child attends every week for the duration of the term, unless he/she is unwell.

It is our policy that when you have signed your child for a club they must be collected by a responsible adult. If you wish your child to walk home by themselves, you should send a letter on the first week of the club to the club leader telling them that they are allowed to do so. If the leader does not receive a letter giving permission, then your child will stay in school and will be sent to after care until you collect them, and a charge will be applied.

Can we please remind you that we have a no-jewellery policy for sport in all our after-school clubs.
