

# Our Learning : Woodland Grange Pre-school'

April 2025

## Our current topic is: People who help us

We will be learning about people who help us. We are starting to learn about firefighters, we will then look at a doctor/paramedic, a police officer, a dentist and a vet.

If you are able to share any personal experiences or are one of these occupations, we would love to include you in a visit to preschool. We will be having a visit from the dentist in June.

In maths we are naming, finding and identifying 2d shapes. We will then be starting to describe them by their sides and corners.

In phonics we are learning the phonemes: e, o, u.

The children have loved coming back into preschool this week and playing in the pre-school shop.

## Warm weather

Please ensure your child comes to preschool with a sun hat and that sun-cream has been applied to their skin. Unfortunately, we are not able to apply sun-cream to them.

## Reminders and Notices

- You can now book onto the May half-term holiday camp, please ask a member of staff for a form, if you are interested.

## Starting school this year

If your child is due to start school this year then you will soon start to receive transition information. External schools typically arrange a preschool visit, we will let you know when this is.

If they are starting at Woodland Grange then Mrs Johnson; the Foundation stage lead, will be sending this information out.
