Use of ICT Chila Kuman Singh Burman</p>

Woodland Grange Overview of Art and design

		Teach collage-cut, tear, scrunch own materials) Henry Matisse						
Printing	Using objects, shapes, sponges, rollers to print with.	As Pre-school Use a stencil to print (using a sponge or roller to fill the stencil) Orla Kiely	Plasticine relief printing using ink pads or thin layer of paint,	Creating own block print e.g., carved potatoes, string glued to thick cardboard. Andy Warhol	N/A		Islamic art: Pattern and calligraphy	Yinka Shonibare
Artist studies:	(Are highlighted Blue)							
Evaluating (Bloom's Taxonomy) Not limiting to these questions only – just some ideas of what may work for each year group.	-identify colours What do you think is good about this work? What is not so good?	Can say what they like about their own and other children's artwork. What do you think is good about this work? What is not so good?	-Identify what they can change in their work to improve Do you think the artist did a good or bad job? What makes you think so?	-annotate own drawings/sketches/plans before creating a final piece of work Why do you think other people should see this work of art?	-Evaluate own likes and dislikes of a range of artists What do you think other people would say about this work? Why do you think that?	Can explain their choice of media and the effect it has on their finished piece What do you think is worth remembering about this work?	Critically evaluates their own work and use their evaluations to impact positively on their final piece. What would you do with this work if you owned it? What grade would you give the artist for this work?	

Woodland Grange Overview of Art and design

							How did you arrive at that grade?
