

Our Learning : Woodland Grange Pre-school'

March 2025

Our current topic is: Eggs and Chicks.

We have loved taking care of the chicks that hatched for us. They have now gone to live at Stoughton farm park, where you can go and visit them! The children have learnt so many skills by caring for them and we are so proud of how well behaved they have been with them.

Thank you to all of the parents who came to join us for our Easter craft session. We hope you had fun!

We will be learning about the celebration of Easter and will be taking part in easter themed activities over the next few weeks.

We have introduced some new phonemes in phonics, the children will be taking part in sound hunts, oral blending and rhyme activities linked to these.

Ofsted

Our OFSTED report is now on the school website, if you would like to read it in full. We are so proud of what our preschool and school offer and everything that has been achieved.

Reminders and Notices

- You can now book onto the Easter holiday camp, please ask a member of staff for a form, if you are interested.
- Preschool closes on Friday 11th April.
- You will be notified about your child's school space during the Easter holidays, this will be an email from the Local Authority.
- Our Easter egg hunt is on the 2nd April at 2pm. This will take place outside (So wrap up warm!)

Mrs Pick

It is with great sadness that we inform you that Mrs Pick will be leaving the preschool after Easter. Mrs Pick will be going into the main school to support year 3 for the rest of the academic year. Mrs Pick has worked in the preschool for over 10 years and has built wonderful relationships with all the children she has supported. She is incredibly knowledgeable and will be very missed!

Check us out!
