

Our Learning : Woodland Grange Pre-school'

May 2025

After half term we will be:

We will continue to learn about people who help us. We have a visit booked in from a dental team the first week back.

We will also be learning about the role of a vet and how they look after animals. Our role-play area will be set up as one too so the children can put their learning into practise.

We will then start to learn about the season of summer. We will be comparing seasons and exploring summer activities.

In phonics we will be revisiting all of the taught phonemes. The older children in preschool will also be learning how to write their name.

Warm weather

Please ensure your child comes to preschool with a sun hat and that sun-cream has been applied to their skin. Unfortunately, we are not able to apply sun-cream to them.
